To Access the Adirondacks Membership,

It is with great pleasure that I write this letter to say that Access the Adirondacks has been selected as recipient of the New York State Conservation Council's **Conservation Advocacy Award for 2017**.

We hope a representative from Access the Adirondacks will be able to join us for the presentation of awards at a dinner to be held on Friday, September 15, at the Radisson Hotel Utica Centre, 200 Genesee Street in Utica, in conjunction with our 84th Annual Meeting.

This award is presented in recognition of Access the Adirondacks', efforts in the battle to see that all New Yorkers are provided the opportunity for fair and equitable access to public lands

Congratulations!

Yours sincerely
